DESCRIPTION AND LEARNING STRATEGY

Team Workshops are designed to provide instructional and consultative services to organizations and teams (natural and ad-hoc), tailored to their specific needs. Deliveries may consist of existing CMEL courses, abbreviated or modified deliveries of existing courses, or facilitation around specific issues; e.g., Visioning, Team Building, Goal Setting, Reengineering, Consolidating, Transition of Leadership, and Interpersonal Communications Training. The overall outcome is to build effective work groups that share a sense of community and a commitment to resolving issues. Methodologies include interactive discussion, lecturettes, skill practices, collaborative data generation, indoor and outdoor hands-on activities.

OBJECTIVES

The outcomes of this type of intervention will vary in accordance with the specific needs of the group being supported. The following list illustrates topics that can be addressed.

- Establish organizational vision, mission, goals, and objectives.
- Improve interpersonal communication skills.
- Enhance atmosphere of trust of co-workers and commitment to shared goals.
- Increase appreciation for the value of diversity.
- Empower the team to be responsible for solutions and increased understanding of the contribution each member adds to organizational success.
- Identify and apply effective problem solving and decision making processes.
- Confront and effectively resolve conflicts.
- Develop matured attitudes about continuous improvement, self assessment, and the responsibility and ability to self manage.
- Clarify roles and responsibilities.
